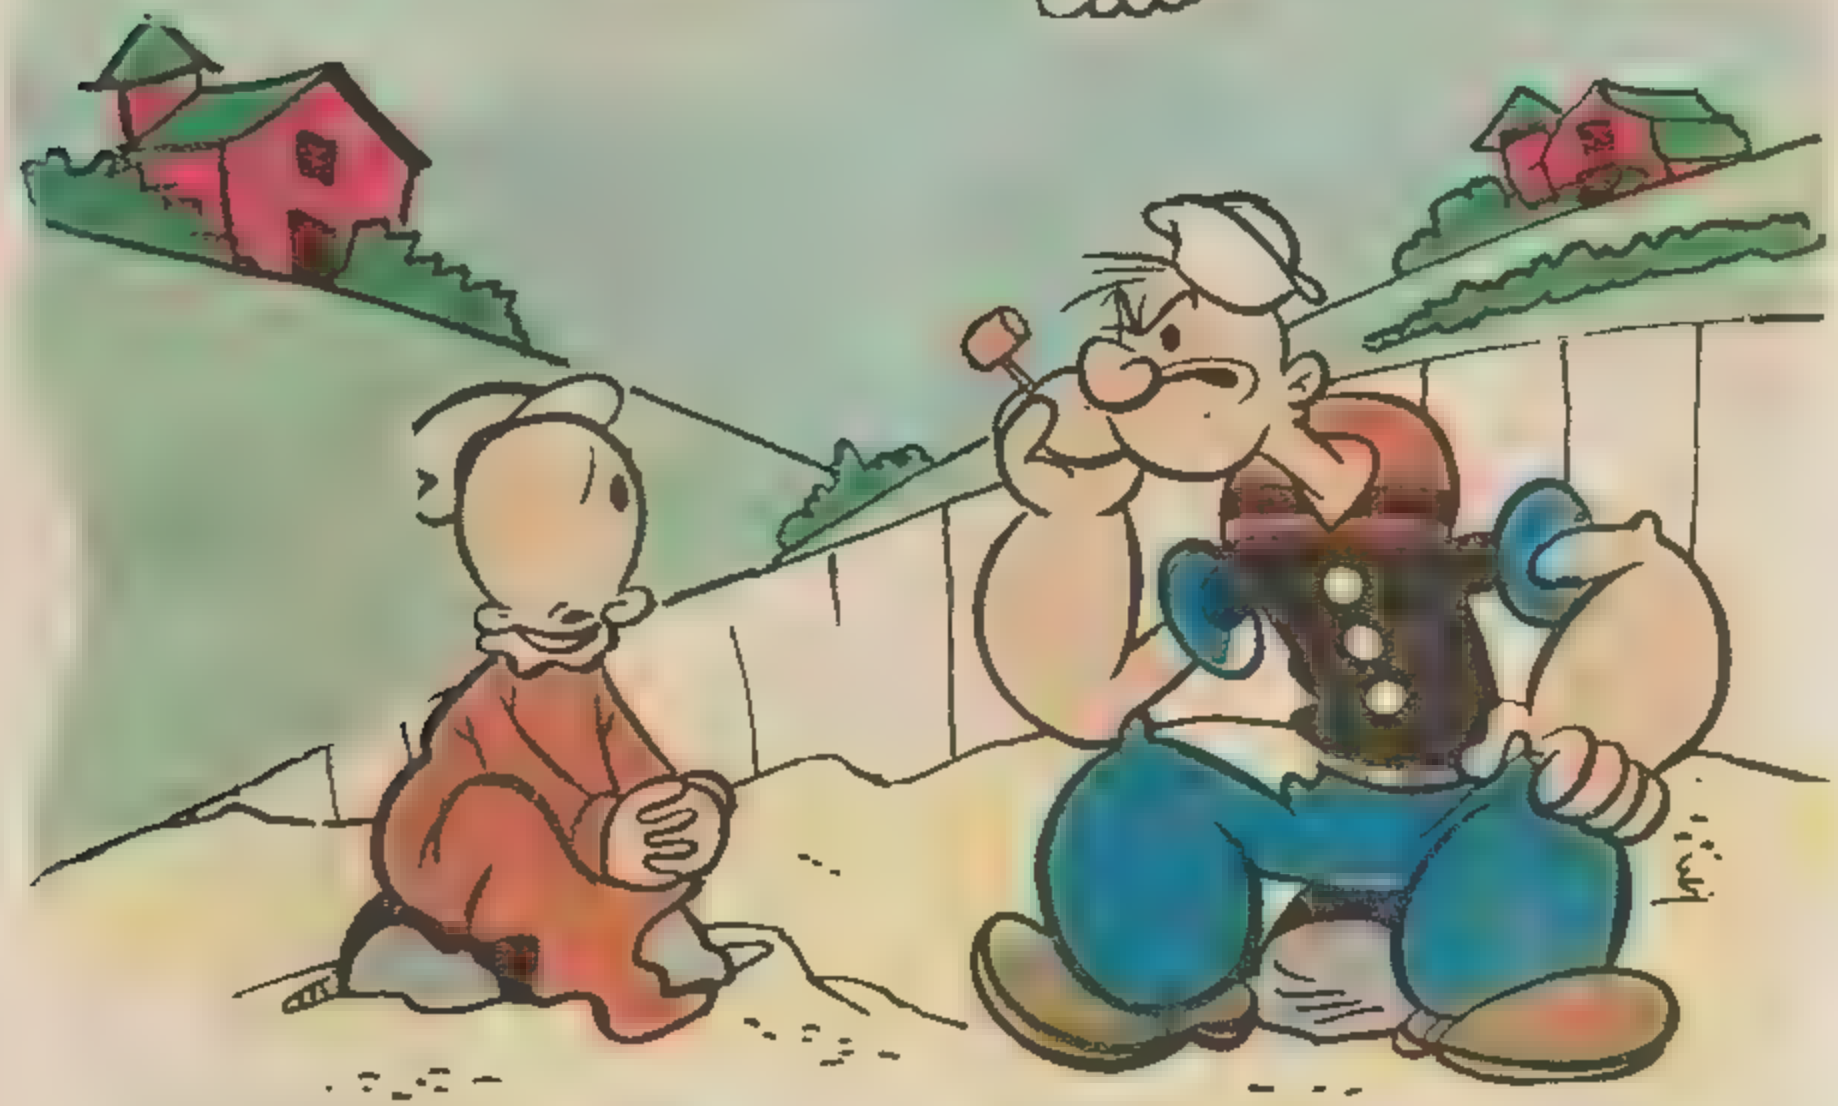
STORY BY BUSTER SALESBERRY



"Curses on you, Popeye. One of these days, I'll win!" yelled the Sea Hag as she left with her pet vulture.

"Arf, arf," laughed Popeye, "You'll never win cause you never smile."

"Gee, Popeye, weren't you scared of the ole Sea Hag?" asked Swee'pea.

"Naw," replied Popeye, "I had two things on me side — my can of spinach, and a big smile."

"Popeye, how come the ole Sea Hag never smiles?" asked Swee'pea.

"Well, it's a long story, but I will tell ya anyway," said Popeye. "You see it started a long time ago when I was but a little swab. I had not even gotten me sea legs yet. Well, one day, I went to Wimpy's house to play, cause Wimpy and I was real good mates, we used to play all kinda games.

"I knocked on Wimpy's door, and his mommy answered. I asked if Wimpy could come out and play for a while, and his mommy said ok. One of our favarite games was lookin' fer buried treasure. But the only bad thing was that ole Sea Haggie loved to play jokes on us everytime she had the chance.

"Next, we went over to Olive Oyl's house to see if she wanted to play with us, cause Olive was me sweetie even when I was a little swab. So we all three set off to play pirates and to find the buried treasure. We didn't know that little Sea Haggie was secretly following us, waiting for the chance to pull a trick on us.

"We hadn't gotten very far when Wimpy said 'Gosh, Popeye, isn't it time to stop and go get someth-

ing to eat?' Wimpy loved hamburgers even more when he was a kid than he does now. 'Besides we've got to make a lost treasure map and decide who the captain is gonna be today.' said Wimpy.

" 'Yer right,' I replied. 'Youse was the captain the last time and Olive is the fair damsel in distress, so I guess that makes me the captain." I said.

"Up to now, Sea Haggie didn't know what kinda trick to pull on us, but suddenly she got a great idea. She'd get a hold of our map and make a few changes so we would get lost. Well, we stopped to get our hamburgers, and I had a spinach burger. We made our map so we wouldn't go out of our neighborhood, and then we laid it down while we ate.

" 'Hee Hee Hee! Now I will sneak up and get their map and change it so they will get lost.' said ole Sea Haggie. She made a secret path and put a fake X for where the treasure was supposed to be.

"We finished eating and was ready to start our great adventure. "OK, ya swabbies, this is yer captain talkin'. It's time to weigh anchor and shove off. We is after the buried treasure of Captain Kid!' I yelled.

"So we were off. Little did we know, ole Sea Haggie was right behind us, just waiting to see our faces when we found out that we were lost.

"At first we pretended we were on a big pirate ship, and then we landed on an island and found the map.

" 'As captain, I will keep the map.' I said.

" 'And as first mate, I will watch the food, especially the hamburgers.' said Wimpy.

"Now that we had everything together we were ready to go find the treasure.

"At first everything was ok, but after following the map for awhile things didn't look the same. But we were having too much fun to even notice that we were getting lost, and Sea Haggie didn't realize that she too, was getting lost.

"After awhile we started getting tired and decided to stop playing and go home.

" 'Gee, Popeye, this don't look like our neighborhood!' " said Olive Oyl.

" 'You are right.' said Wimpy munching on a hamburger.

" 'Oh, Popeye, we are lost,' said Olice.

" 'Hee Hee Hee!' laughed Sea Haggie.

" 'I know that laugh,' I said. 'That's ole Sea Haggie. Don't laugh, Sea Haggie. You're just as lost as we are!' I said.

" 'You're right,' she said. 'Do you know how to get home?' she asked. 'I'm not sure.' Oh no, we'll never get home, we're lost forever.' she cried.

" 'Stop crying and frowning. You don't want the Frownies to get you, do you?' I said. 'Just keep smiling and things will be ok.' Well everyone smiled, except ole Sea Haggie.

"Gee, Popeye, what are Frownies?" asked Swee'pea.

"They are small, brown, furry things that hide everywhere and wait for people who never smile, and then they jump up on their lips and hold them down so's that person can never smile again.

"Anyway, Swee'pea, as I was sayin', everyone was smilin' except ole Sea Haggie. All she did was frown. Suddenly, out from behind a bunch of bushes jumped a bunch of Frownies, and they landed on ole Sea Haggie, and they wouldn't let go.

"We kept on walking, and smiling, and soon we ran into a policeman and we told him we were lost. He asked our names, and after we told him he called our mommies and they came and got us and took us home.

"At last everything was alright. Everyone was ok except for ole Sea Haggie. She could never smile again. Now you know why she never wins. It's because she never smiles, and if you never smile you'll never win.

"So you see Swee'pea, as long as you always smile you'll never hafta worry about the ugly ole Frownies."

"Ok, I'll always have a smile on my face!" said Swee'pea.

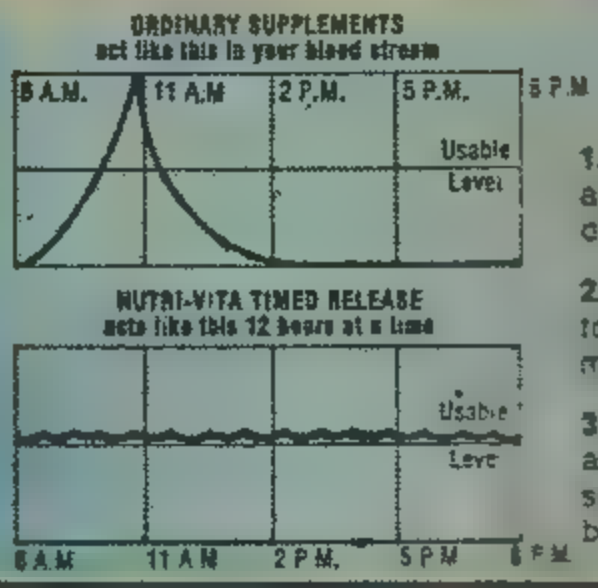
Revolutionary New Timed-Release Nutrient Tablet

AUTOMATICALLY REPLACES THE VITAMINS YOUR BODY USES UP, EVERY SECOND OF EVERY DAY!

Actually meters out 42 active vitamins, minerals and essential amino acids...hour after hour...in a continuous fresh supply.



These three biological breakthroughs make NUTRI-VITA dramatically more effective:

1. **TIMED RELEASE.** Ordinary tablets and capsules dissolve immediately and begin to leave the body. Nutri-Vita stays in your blood stream for all day, all night action.

2. **CHELATED MINERALS.** Nutri-Vita's minerals are biologically bonded to protein. This makes them more available to your system than ordinary mineral supplements.

3. **INGREDIENT ISOLATION.** Many vitamin and mineral combinations actually **neutralize themselves on contact**—in the tablet or in your stomach. Nutri-Vita's ingredients stay separate—**and effective** until your body uses them.

Vitamins, minerals and amino acids—are essential to human health. No wonder millions of Americans choose to augment their family's diet with a vitamin-mineral supplement every day.

But up to now, NO supplement could give you the vitamins, minerals, and amino acids you need....**at precisely the moment you need them.** NUTRI-VITA does! Because unless all the right ingredients are furnished at the right time, many of the nutrients in the food you eat will be wasted.

SCIENTIFICALLY FORMULATED FOR MAXIMUM BIOLOGICAL VALUE. Fifteen years in the development, Nutri-Vita has been used and tested by hundreds of world champion athletes, and by ordinary men and women all over the country. They report increased endurance*, greater capacity to handle heavy work-loads**, and less fatigue*** when using Nutri-Vita as compared to any preparation they used before. **Nutri-Vita even helps maintain energy levels while dieting****.

That's because Nutri-Vita's formulation is not only nutritionally superior in itself, it incorporates totally **new concepts** of manufacture that provide maximum biological value for your body.

Here is how this special nutritional supplement achieves the kind of superior action that has never been available from any tablet or capsule before:

ROUND-THE-CLOCK NUTRIENT PROTECTION. Vitamins (except A, D, E and K) are water soluble and cannot be stored in the body for later use. Any excess is passed through the body and lost. With supplements that dissolve all at once, therefore the vitamin level may quickly peak at far more than the tissues can use at any one time—then just as quickly sink to the previous level. So even though you take a high potency supplement **you may actually be vitamin starved for most of the day!**

Nutri-Vita tablets, on the other hand are timed release...**to meter out fresh nutrients constantly.** They rise to the proper level for maximum utilization in your blood, ready for your body to use them as it needs them—for up to 12 hours at a time. By taking Nutri-Vita just morning and night, you get round-the-clock nutrient protection that's substantially more available to your system than the same amount of vitamins in ordinary capsules and tablets.

POTENCY PROTECTED. Many products ignore the fact that certain vitamins and minerals are chemically incompatible and react very readily to neutralize each other. That is why all of the ingredients in a Nutri-Vita tablet are **isolated** from each other by a special patented process. This keeps them potent until the moment of absorption into the blood stream, where deactivation is no longer a problem. With Nutri-Vita, **your body gets what the label says.**

Nutri-Vita is many times more active because, we use a process known as chelation (from the Greek "keles" for claw). In it, minerals are bonded to protein with a biochemical "claw." Masked by the protein, the minerals now seem organic to your body and are readily assimilated. The process is so effective that studies have shown inorganic minerals to be more available to the body than ordinary minerals. All minerals in Nutri-Vita are chelated.

PLUS ALL THE ESSENTIAL AMINO ACIDS. Proteins are the building blocks of tissues. And amino acids are the building blocks of protein. Those amino acids which the body cannot manufacture for itself are called essential amino acids and must be furnished every day. Nutri-Vita releases the eight essential amino acids into your blood stream all day long—ready at meal times and snack times to help complete the proteins in the food you eat.

IMPORTANT NEWS IF YOU SMOKE. Tobacco and vitamins are antagonists. A cigarette destroys vitamin C in your system. Nutri-Vita helps protect you against such deficiencies by constantly releasing a fresh supply of vitamins after every cigarette. It's the round-the-clock source of all the nutrients your body is known to need, in the form it can use them best.

NUTRI-VITA WILL WORK FOR YOU OR YOUR MONEY BACK. Would you like to provide your family with "vitamin insurance"? Nutri-Vita can give you the help you need. Because Nutri-Vita provides large doses of nutrients in a concentrated form every hour of every day. That way your body selects exactly the nutrients it needs at exactly the moment it needs them. Doesn't this make much more sense than assaulting your system with a massive dosage of vitamins once a day, many of which will be simply excreted?

See for yourself whether Nutri-Vita helps make you and every member of your family feel the way famous athletes say it makes them feel..."Stronger and more energetic hours after they take it." Nutri-Vita makes sense to them. Try Nutri-Vita for 30 days and see if it doesn't make sense to you, too. Satisfaction guaranteed or your money back of course.

NUTRI-VITA Timed Release Nutritional Supplement
A specially balanced, factory fresh formula of 12 vitamins, 9 minerals, and 21 nutrients including all 8 essential amino acids. Contains no sugar, no starch, no binders, no artificial colors, no artificial flavors.

ADULTS: 2 tablets morning and evening.
CHILDREN 6 to 12: 1 tablet morning and evening.

100% NATURAL AND ORGANIC

Famous National Olympic and World Record Champions Compare Nutri-Vita at these unsolicited comments:

"Strength has increased without a concurrent weight increase."
Richard L. Watson—Two-time N.J. Decathlon Champion

"Personally my teammates...and I can feel the beneficial effects of Nutri-Vita hours after ingesting the combination of protein (maintains) energy levels [illegible]"***—**Greater Atlantic Coast Champion, 1974**

"[illegible] was introduced to Nutri-Vita...while we were preparing for...the Royal Henley Regatta in England. I was very impressed with how the swimmers responded. They seemed to recuperate faster and their overall fatigue level was improved."
Gary Kupchick*—**Varsity Lightweight Crew Coach, Princeton University**

"Nutri-Vita (makes) hard work seem a lot easier. As I am not a chemist, I can not understand how it works, but as an athlete, I know it does work."
Carl Garlach, Cleveland Browns

"I have used Nutri-Vita for over two years now, and have felt quite a difference in my training and performance. Nutri-Vita helps recovery time and increases endurance."
Fred Lamore*—1975 National AAU Decathlon Champion

"We used (Nutri-Vita) with both university swimmers and age group swimmers. The most noticeable effect being increased capacity to handle heavy work loads in training...Excellent and a valuable asset to athletes."
William Farley—Varsity Swimming Coach, Princeton Univ. Coach, Eastern Collegiate Swimming Championship Team, 1973, 1974**
